CLASS OF 1986 RETROSPECT
WHITMAN-HANSON REGIONAL HIGH SCHOOL

When our memories grow dim,
When we all become senile and old,
What will unlock that treasure chest
of the memories we hold?
Will we be able to reach to the past,
To grasp the years gone by?
Perhaps with a little help
we could do it if we try.
But what could start our memories,
What could be our key?
Maybe a photo of our friends
could open our eyes and make us see,
because there is no better way to remember,
than to bring the past up to now,
and a simple little picture
can begin to show us how.

DEDICATION

"CINDY"

Our school years have ended.
It just doesn't seem real.
As we think back over the years,
Your absence is what we feel.
The years have passed quickly,
It's still hard to believe you're gone,
Although we remember you everyday
And your memory still lives on.
The years will continue to pass.
The distance will continue to grow.
Friendships will slowly be forgotten,
But we will always remember you, I know.
The happiness you gave us.
The good times and the bad.
The worst part was when you left.
We were alone to face times so sad.
We have all managed to go on,
Continued on our way.
We all miss you greatly,
But we think of your everyday.
Nancy Paine

ADMINISTRATION

Louis P. Perullo
Superintendent

Dear Members of the Class of 1986:

Congratulations upon your graduation from Whitman-Hanson Regional High School.

Now that your high school years are finally over, I am sure that you will agree that they went too fast. High school really was not so bad after all. These were years of tremendous growth for you, not only physically and academically, but socially as well. You are very much adults today, able, and hopefully ready and willing, to seek your personal destiny in the years ahead.

Life is full of opportunities for you to achieve success and happiness. Take full advantage of the opportunities that come your way. Do not be afraid to take risks. So many people lead "lives of quiet desperation" (Henry David Thoreau) because they fear change; they fear the future.

This is the best time of your life and it will get better if you face the future with confidence, a willingness to work hard, a predisposition to be positive, and, most importantly, a desire to give happiness to those you love and kindness to all people you meet along the way.

We, at Whitman-Hanson, have worked diligently to provide you the best educational opportunities available. It is always our prayer that what we have given you will be enough to get you off to a good start.

We think you are ready for the future Class of 1986. Go to it. Seek and give happiness. Seek and give love. Seek and give respect. If you achieve these goals, you have made the world a better place for us all. God Bless You.

Our best wishes are with you and you will always hold a special place in our memories.

Sincerely,

Louis P. Perullo
Superintendent

MESSAGE FROM THE PRINCIPAL

Each year, one of the hardest tasks I face as Principal is saying goodbye to the graduating class. The Class of 1986 has particular meaning for me because it is the first group of ninth graders I welcomed to Whitman-Hanson as Principal.

I like to think we have all changed significantly since that day in September of 1982. The fourteen year olds who arrived as strangers have become friends, learned a great deal (I hope) and grown to be eighteen year olds. Like the twenty-four classes that have gone before you, members of the class of 1986 have earned many awards- academic, sports, and extracurricular. The teachers and administration have enjoyed working with you and feel a genuine sense of loss as you leave.

As you begin the next phase of your life, we fervently hope that you make the most of all of life's opportunities. Continue to build on the skills you developed at Whitman-Hanson. Remember that today's hard work helps ensure tomorrow's success.

On behalf of the faculty, I wish you good luck and Godspeed.

Farewell

This season the Whitman-Hanson Panthers won the title of *Co-Champions* of the South Shore League (Large School Division). The record was 6 wins, 3 losses and one tie. On Thanksgiving, W-H triumphed over Abington 18-6. This the 75th annual game was played in a drowning rain storm with both teams playing well in the inclement weather. The team was led by Captains Bob Lewis and Jim Aveni. The team had a good season with the twenty seniors contributing a great deal to the fine record.

The Whitman-Hanson boy's varsity soccer team finished with a deceptive 6-9-2 record which was better than last year's. The team consisted of twenty determined, hardworking players.

Highlights of the season included an upset tie with the reigning Division II Champion, Duxbury. Prior to our 2-2 tie, DHS was undefeated and untied in 72 consecutive games. Also, the Pittsfield HS exchange game was a success, not only because we were victorious 1-0, but because it was a pleasant learning experience. The Panthers were fortunate to have three members of the 1985 team elected to play in the S.S.L. All-Star game; they were a goaltender Eric Coldwell (top votegetter), halfback Tim Champignie, and fullback Bryan Colwell.

Though the team is losing thirteen seniors, the seven returning team members showed tremendous improvement this year. When they return next year and exhibit the same cooperation, hard work, and determination of this year's seniors, they will have a good team.

The seniors would like to thank Coach Barrington for the past 4 seasons at W-H. They really went by fast - too fast! Good luck to the future teams . . . we'll miss ya!

The 1985 Varsity Soccer team finished with a record of 6 wins, 9 losses, and 2 ties. Coach Ward had a very young team which included only six seniors. A great highlight of the season was a tie against Rockland. Rockland later played in the State Tournament and were very surprised by our strong play against them.

The team was led by Captains Jen Hurley and Lori Evans. Whitman-Hanson was well represented on the S.S.L. All-Star team by Lori Evans, Paula Cornetta, Joanne Donohue, and Kellie Jones. Goalie Jones was recognized as one of the outstanding goalies in the South Shore.

The senior players want to wish Coach Ward and next year's team success in the coming years.

The Whitman-Hanson Boy's Cross Country Team enjoyed a winning season with a 7-3 record. The team was a challenger for the league championship for most of the season and finished in a tie for second place. Late season losses to Rockland and Norwell prevented the Panthers from winning the championship for the second straight year. This year's team was led by Co-Captains John Fay and Jim Dudley. A feature of the season was high finishes by Bill Facella and John Fay in the Eastern Mass. State Meet.

The 1985 Girls Cross Country team finished a successful second place finish (8-2) in the South Shore League. The Panther Pride was lead by veteran Co-Captains Sharon MacLellan and Maureen O'Donnell. The Girls almost captured their third consecutive Championship but were stopped by a much stronger Duxbury team at the last dual meet of the season. The whole team has contributed to another great season. Some of the top runners of the season were: Sharon MacLellan, Maureen O'Donnell, Tara Martin, Pam Anctil, Laurie Conway, and Sandra Marinelli. The runners of 1986 hope for the best for next year's team, and many more successful seasons in the future.

CAPTAINS

Co-Captains: David Boisjolie, Tim Champignie.

The Whitman-Hanson Varsity Boys' Basketball Team had a very productive year. Coming off a very good 1984-1985 season, the Panthers had high hopes of doing well this year. After placing second in the Rockland Tournament, the Panthers went on their winning ways. Midway through the season, the team suffered some critical losses, but as any team would, the Panthers regrouped and fought back to become re-eligible for tournament play.

This is only the third time that a Whitman-Hanson boys' basketball team has been in the Eastern Massachusetts Tournament dating back to 1962. Although this year has brought great progress to the Boys Basketball Team, next year and the following years look even more promising. Good Luck in the future!

The Girls Varsity basketball team had a building season after losing 10 seniors last June. The team had three returning veterans which were Captain Jennifer Hurley (senior) and junior forwards, Tara MacDonald and Nancy Yanchuk. Due to the lack of experience on the varsity level, the team was not as successful as in the past. The young players worked very hard and put all their heart and soul toward winning. Many defeats were by narrow margins and the team's play indicated that the Panthers would be a force in the future.

After losing nine starters from the previous year, this year's wrestling team was facing a "rebuilding" year. However, the team had thoughts to the contrary. To get ready for the first league meet vs. Rockland, the team gained confidence with this win against the pre-season favorites. With a win over a strong Duxbury, the Panthers were ready to meet undefeated Scituate. The team was triumphant in the battle of undefeated teams and the Panthers then proceeded to beat other league opponents to win the championship. The team would like to thank Coaches Gay and Holmes for their efforts that guided us to the championship of the South Shore League.

The success of this year's indoor track team was reflected by the fine individual performances. This was the first year of indoor track after not having a team for many years. The team was founded upon the principle that each athlete can improve. Individually, Mike Walsh led the team in scoring and was undefeated in the 300 yard dash in the Tri-County League. Jim McLaughlin was undefeated in the shot put and Mike Kelleher excelled in the high hurdles. The indoor team saw much personal improvement that will hopefully flourish under the leadership of Coach Dennis Lozzi.

With two games remaining in the season, the varsity hockey team has had a frustrating season, not winning a game. It has been tough at times and it has been good at times. The high calibre of play by teams in the S.S.L. makes it one of the best Division II hockey leagues throughout New England. Five of our eight opponents qualified for post-season play and are also ranked in the top 25 teams in the state, which goes to show how competitive our league is.

This year, as in years past, we (players and parents) had to raise the majority of the costs for playing. Though this is troublesome, the players and the parents could not have worked harder in raising this enormous amount. We were dedicated and determined to raise this money to support our program. Though our record lacked wins, we did not lack character, which is very important for a team. The 1985-86 Varsity Hockey Team would like to thank the Boosters Club for their gallant effort and wish future hockey teams at W-H the best of luck.

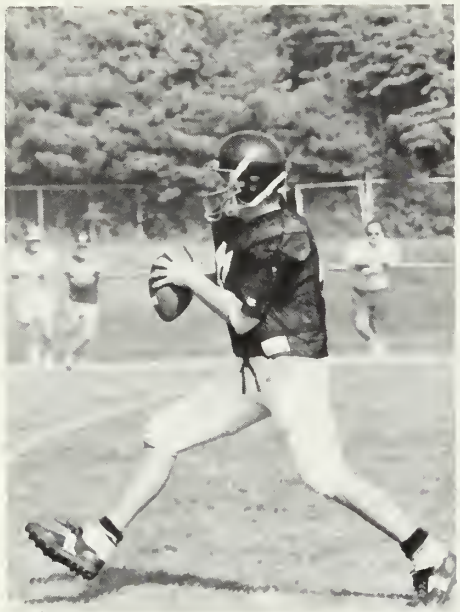
ATHLETES IN ACTION



CLICKS

Our eyes glance at the
picture,
We pick up what they see.
There are faces in there,
Of friends that used to be.
They try to tell us something,
The words we barely hear.
They want to bring back
memories
Of times so very dear.

Upon entering Whitman-Hanson Regional High School as freshmen in the fall of 1984, the first significant accomplishment made by the Class of '88 was to elect class officers for the 1984-85 school year. The election results were as follows: President - Reggie Winbush; Vice-President - Patricia Carey; Secretary - Andrea Tomkiel; Treasurer - Tracy Wyatt.

The officers were very efficient and the class quickly found themselves to be very successful in the school tradition of Hall Decorating for the Thanksgiving Day Game. The theme, "Football and School Spirit" was simple, but apparently the work done was found very impressive, for the freshmen proudly gained the title of first runner-up in the schoolwide hall decorating competition.

The officers then organized a fund raiser of the sale of calendars, and with the help of almost every member of the class earned a very pretty penny. The large sum of money allowed for a freshman class trip to Rocky Point Amusement Park. Along with using funds for the purpose of enjoyment, the class of '88 also contributed to a fund for the Cotreau Family of Whitman, whose home had recently been destroyed by fire. Two members of that family were members of the Class of '88.

Before the close of freshman year, the soon-to-be sophomores elected officers for the next year. Elected were: President - Patricia Carey; Vice-President - Robert Hylen; Secretary - Andrea Tomkiel; Treasurer - Julianne Egan.

When school resumed once again in the fall of '85, so too did the hard work of the sophomore class. They first focused their attention on organizing a successful Hall Decorating Committee with the theme "Back to the Future." The idea was original and imaginative, portraying school and football activities from the past, in the present, and to be in the future.

The next order of business was a fund raiser. The sophomores sold holiday and all occasion gift wrap, and as they did the previous year, made a fine profit.

As of this writing, the members of the class of '88 just had the opportunity to order their class rings and are anxiously awaiting their delivery. Many of the class members joined in the selling of Valentine's Day carnations.

The wheels are spinning and many new ideas are now being thought out. As to what's next, well . . .
